

# STEADFAST HOPE

## A Christian-Jewish Exploration of the Search for a Just Peace in Israel-Palestine

An 8-week course designed for Christians who have an interest in learning about the history and current realities of the Holy Land.

Presented by a team of Christian and Jewish teachers who are actively engaged in the quest for a Just Peace.

### The Steadfast Hope curriculum includes:

- How the Gospel mandate for peacemaking directs our efforts for a Just Peace
- Historical narratives from Zionist and Palestinian perspectives
- Compelling testimony about facts on the ground and the reality of military occupation
- The role played by the United States
- Nonviolent responses and strategies for individual and communal action

### Testimony from previous course participants:

- "Truly excellent."
- "Teachers are so knowledgeable and present it in an interesting way."
- "I learned so much about the Palestinian situation that I had no idea about."
- "I liked having teachers with various perspectives."
- "Wish we had more time!"
- "Thanks! Great job!"
- "Find ways to better publicize your offering. Everyone needs to hear it."
