PROGRAM PREVIEW

This year's Interfaith Peace Walk program will be similar to past Walks but adapted for an online presentation. We will include reflections, chanting, music, and prayers from various faith traditions and cultures. At the end of the program we will offer an online breakout session for small group conversations in place of those dialogues we had with one another in past Walks as we traveled between houses of worship.

The full program will be available on our website closer to April 19th.
