Reemerging, Rebuilding, Reimagining Relationships

This year's Interfaith Peace Walk program will be similar to past Walks but adapted for a Zoom presentation as we did in 2020. We will include reflections, music, and prayers from various cultures and faith traditions. During the program we will offer breakout sessions for small group conversations to dialogue and share reflections as we had in past Walks when we traveled between houses of worship.

The full program will be available on our website closer to April 11th.
